

INSTRUCTIONS FOR UNIT REGISTRATION IN CASTOR

- Use **CHROME +++** (not Internet Explorer)
- You have received **an invitation** to register your unit. If not, contact us at: **contact@toxicstudy.org**

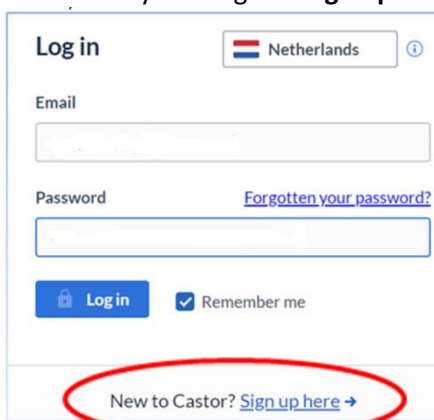

- The invitation email is entitled:

You were invited to join 'TOXIC-Europe registration of UNITS' on Castor EDC

- Click on the blue link:

Please follow [this link](#) to access your studies.

- The **first time** you are using Castor, **you have to make an account** in Castor with **your** email address and a password by clicking on **"Sign up here"** (see the red circles, in the print screens, below).

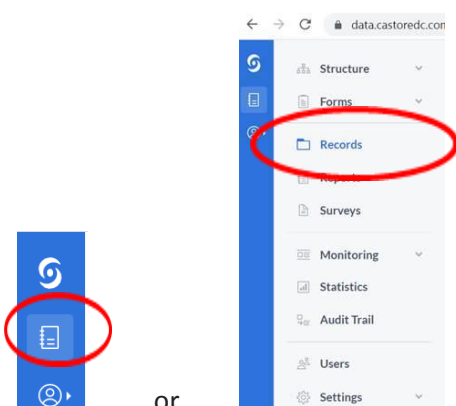

Keep your password **+++**, as it will be asked every time you log in Castor. Choose the **EU / Netherlands** option.

- The study is called "TOXIC-Europe UNITS". Click on it.

TOXIC-Europe UNITS • Live (v.65.31)

- Then, go to  then to "Records" on the left side.

- Then click on your unit.

- We have started to complete you unit questionnaire. Please, check the information and complete questions marked by an orange circle in Castor. For instance:

	18.5 Which treatment(s) did the patient receive > 24 hours after ICU/HDU admission (during the rest of the ICU/HDU stay)?	 <input type="checkbox"/> Active cooling <input type="checkbox"/> Antidote treatment <input type="checkbox"/> Calming medication <input type="checkbox"/> Cardiopulmonary resuscitation (CPR) <input type="checkbox"/> ECMO
---	---	--

- You can complete the form by typing a text or selecting a bullet depending on the question.
